

EURON Risk Disclosure

Version 1.0

Participation in the EURON ecosystem involves certain risks.

By acquiring EURON, participants acknowledge and accept the following:

Technology Risk

Blockchain infrastructure may experience interruptions, software bugs, security incidents or unforeseen technical failures.

Regulatory Risk

Future laws and regulations may affect the acquisition, holding, transfer or use of EURON.

Market Risk

EURON may experience fluctuations in perceived value and utility.

Liquidity Risk

There is no guarantee that EURON can be exchanged, transferred or liquidated at any particular time or value.

Ecosystem Risk

The success of EURON depends on the continued participation of communities, organizations and ecosystem partners.

No Financial Advice

Nothing related to EURON constitutes financial, investment, tax or legal advice.

No Guaranteed Return

EURON is not offered as a speculative investment and no return, yield, appreciation or profit is guaranteed.
