EURON Terms of Participation

Version 1.0

1. Purpose

These Terms of Participation govern the acquisition, holding and use of EURON within the EURON ecosystem.

EURON is designed as a community value token supporting cooperation, value exchange and participation within a network of communities, organizations, NGOs, energy communities, social enterprises and responsible businesses.

2. Nature of EURON

EURON is a community value token and cooperation infrastructure tool.

EURON is not:

- a share or equity interest,
- a security,
- a debt instrument,
- an investment fund unit,
- a bank deposit,
- a guarantee of profit,
- a guarantee of future value.

Ownership of EURON does not provide ownership rights in Artrium Ventures LLC or any affiliated organization.

3. Participation

Participation in the EURON ecosystem is voluntary.

Participants may acquire EURON through:

- direct allocation by the founding issuer,
- purchase from authorized holders,
- community contributions,
- ecosystem activities,
- future ecosystem programs.

4. Intended Use

EURON is intended to facilitate:

- community cooperation,
- value exchange,
- ecosystem participation,
- project support,
- volunteer recognition,
- local and regional initiatives,
- future ecosystem services.

5. Risks

Participants acknowledge that:

- digital assets involve risk,
- utility may evolve over time,
- liquidity is not guaranteed,
- future adoption cannot be guaranteed,
- regulatory treatment may change.

Participants are solely responsible for their own decisions.

6. Limitation of Liability

Artrium Ventures LLC makes no representation regarding future market value, appreciation, profitability or liquidity of EURON.

7. Governing Law

These Terms shall be governed by the laws applicable to Artrium Ventures LLC.

8. Acceptance

Acquisition, holding or use of EURON constitutes acceptance of these Terms.
